## Initiatives

### Operating Environment

Recovery in tuna market, but rising prices of certain products due to smaller catches

Existing

### The Marine Foods Corporation

#### Aiming for a turnaround in the year-end demand season

- Sales of some products have been sluggish against the backdrop of rising market prices due to a decrease in fish landings
- Reinforcement of raw material procurement capabilities and overseas sales through group collaboration, as well as efforts to turn around in the year-end demand season

Existing

### TRY Inc.

#### Strengthening sales through collaboration

- While the tuna market is on a recovery trend compared to last year, performance is solid, and progress is generally in line with expectations
- Strengthening sales capabilities through collaboration with Marine Foods Corporation

Existing

### Others

#### Maximizing earnings through group synergies

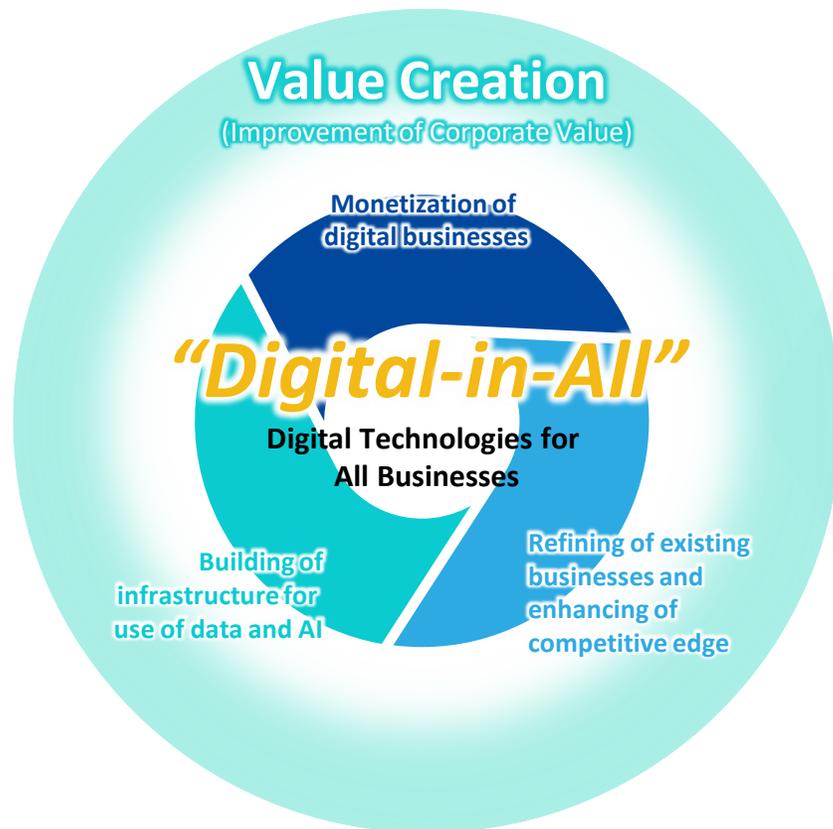

- Maximizing earnings through group collaborations, including production of secondary processed products for Marine Foods Corporation at Dalian Global Food Corporation

New

#### Expansion into overseas markets Entering sushi business in the U.S.

- Acquisition of all takeout sushi businesses of Sushi Avenue, a company running 300 stores of takeout sushi in the midwestern United States, as part of efforts to enter overseas markets by capitalizing on procurement and product development capabilities of existing businesses

- Adoption of digital technologies in all businesses with goal of creating value based on “Digital-in-All” concept
- Creation of value together with major affiliates supporting digital transformation (SAKURA internet, Sojitz Tech-Innovation)

## Co-creative Strategy of creating value

### 1 SAKURA internet Inc.

- In addition to fulfill defined conditions as **government clouds**, SAKURA internet is working on **strengthening the infrastructure for high-spec GPU**
- **Public offering conducted** in June 2024 to raise funds (¥18.1 billion) for use in related capital investments
- Business alliance agreement concluded with Sojitz in March 2024 and **personnel exchanges** commenced to pursue further growth

Digital transformation of existing Sojitz businesses and creation of new businesses using SAKURA internet’s computing resources

Expansion of SAKURA internet’s business using Sojitz’s contacts in wide-ranging business areas

### 2 Sojitz Tech-Innovation Co.,

- Acceleration of **value creation using digital technologies** along with **experience and technical capabilities** fostered since time of Nissho Electronics
- **Change of name to Sojitz Tech-Innovation in July 2024** to signal new start
- Aggressive expansion of scope of application of strengths of early adopted advanced overseas technologies and functions developed by customizing said technologies to include **IT infrastructure and networks as well as applications, data utilization, and AI security**
- Pursuing greater coordination with Sojitz

### 3 New partners

- Building a new ecosystem through capital alliances and M&A activities.

# Cash Flow Management

# Shareholder Returns Policy, Stock Price and Credit Ratings

- Issuance of stable and continuous shareholder returns based on cash flow management policies to drive ongoing improvements in corporate value
- Ongoing emphasis on share price to keep PBR consistently above 1.0 times and raise market capitalization above ¥2.0 trillion

## Shareholder Returns Policy

- In MTP 2026 started from FY2024, **approx. 30% of Core operating CF (3 years total) is allocated to shareholder returns.**
- **4.5% of Shareholder equity** is adopted to minimize the impact of market volatility factors.
- The framework for **progressive dividends** increases as long as the accumulation of shareholder equity from net profit exceeds the reduction in shareholder equity due to shareholder returns.
- **Share repurchase** will be executed **flexibly** during the period of MTP2026.
